Further Information:

The Sutcliffe Scholarship was established in 2018 following a generous bequest from the estate of Malcolm Sutcliffe, alumnus of French at Leeds. The fund provides one or two annual scholarships (normally of £10,000) for students wishing to undertake research degree study in French in the School of Languages, Cultures and Societies.

For further information, please contact Dr Jim House, Postgraduate Research Liaison for French at j.r.house@leeds.ac.uk,

Full and part-time study considered.

Financial Information:

For PhD study, fees may rise during the course of your candidature - this will be by no more than the rate of inflation, calculated according to the Retail Price Index. Maintenance rates (set annually at Research Council standard rates) may also rise. Further information can be found at: <https://www.ukri.org/skills/funding-for-research-training/>

School Web Address:

Minimum Academic Requirements (if English is not your first language, then candidates must also meet the University's English language requirements): MA by Research candidates will be expected to hold or be predicted a BA 2.1 or above or equivalent. PhD candidates will be expected to hold or be studying towards an MA in a relevant discipline. The School's English language requirement is IELTS 6.5 with not less than 6.0 in any skill.

Any Additional Requirements:

Applicants should apply for a place to study at the University of Leeds and then apply for the scholarship.

We welcome scholarship applications from all suitably-qualified candidates, but UK black and minority ethnic (BME) researchers are currently under-represented in our Postgraduate Research community, and we would therefore particularly encourage applications from UK BME candidates. All scholarships will be awarded on the basis of merit.

This information has been provided by the above School and all enquiries regarding these awards must be made in the first instance to the contact detailed above.
