**Saturday 19<sup>th</sup> January, 2013**  
Craiglands Hotel, Cowpasture Road, Ilkley  
**PROGRAMME**

The hotel is five minutes walk from Ilkley railway station. Go up the hill and look out on the right.

This year's conference programme is largely made up of home grown speakers, as usual, but we are very pleased to welcome some speakers who have all long been involved in the conference but will be less well known to more recent students and alumni. I hope that Jennifer will be in attendance as well as Christopher, which will again be an opportunity for many of us to catch up with them. Hopefully the range of topics is sufficiently enticing!
