

School of Philosophy and IDEA CETL, University of Leeds
The Eighteenth Ilkley Colloquium on Health Care Ethics
Saturday 16th January, 2010
Craiglands Hotel, Cowpasture Road, Ilkley

The hotel is five minutes walk from Ilkley railway station. Go up the hill and look out on the right.

This year's conference programme is largely made up of home grown speakers, as usual, but we are very pleased to welcome as our guest Dr Antony Hatzistavrou who is a lecturer in the Department of Philosophy at the University of Hull. Jennifer and Christopher will be in attendance which will again be an opportunity for many of us to catch up with them. Hopefully the range of topics is sufficiently enticing!
